Notice of Price Increase for KeePer LABO Service Products (Excluding Car Washes) Effective April 1, 2025

KeePer Technical Laboratory Co., Ltd. (Headquarters: Obu City, Aichi Prefecture / President & Co-COO: Toshiyuki Kaku) hereby announces that, effective April 1, 2025, the prices of KeePer LABO service products (excluding car washes) will be increased by approximately 5% across all locations. (The exact rate of increase may vary slightly depending on the product.)

Reason for the Price Increase

This price adjustment is necessary to support the base salary increase for our employees, as well as to offset rising costs due to surging raw material prices, the depreciation of the yen, and other cost pressures.

Special Offer for Early Reservations

For reservations made by the end of March, we will honor the current pricing, even if the service is scheduled for April or May.

We appreciate your understanding and continued support.
