2. Reason

The year-end dividend for the fiscal year ending June 2025 was originally planned to be JPY 53 per share. However, based on the current term's profit of JPY 4,888 million, and using a payout ratio of 30% as a guideline, the dividend has been increased to JPY 54 per share.

Additionally, to commemorate the 40th anniversary of our company's founding on August 16, 2025, we will also issue a special commemorative dividend of JPY 6 per share to express our deep gratitude for the continued support of our shareholders.

As a result, the total annual dividend will be JPY 60 (ordinary dividend of JPY 54 + commemorative dividend of JPY 6).
