*Figures in parenthesis indicate the number of franchise stores

[Monthly comment]
In September, net sales totaled 100.7% for existing stores compared to previous year and 107.7% for all stores. While typhoons negatively affected sales in September, because of steady growth in sales of home appliances as well as the presence of two additional holidays compared to the previous year, net sales for existing stores increased year on year.

[Information on opening and closing stores]
Treasure Factory Style (fashion): One store opened in Sangenjaya on September 22, 2018
