Notice Regarding the Booking of Deferred Tax Assets

Please be advised that SUMCO Corporation ("the Company") has decided to book deferred tax assets for the fiscal year 2018.

Details are as follows.

1. Booking of deferred tax assets

In light of recent performance trends, the Company and its consolidated subsidiaries gave careful consideration to the recoverability of deferred tax assets.

Based on these studies, the Company decided to book the portion of deferred tax assets that are recoverable. This is expected to result in the new booking of income taxes-deferred amounting to approximately 9 billion yen (gain) in the consolidated financial results of the fiscal year 2018.

2. Impact on financial performance

Please refer to "Announcement of Revision of Consolidated Business Forecasts for the Fiscal Year 2018" released today for the impact on financial performance from the above booking of deferred tax assets.
