On March 1st (Sat), the second Money Doctor Premier store in Nara Prefecture, “Money Doctor Premier AEON Mall Kashihara Store”, opened.

~We offer financial advice to suit a wide range of customers~

FP Partner Inc. (Headquarters: Bunkyo-ku, Tokyo; Representative Director and President: Tsutomu Kuroki; listed on the Tokyo Stock Exchange Prime Market), is rolling out “Money Doctor Premier”, a one-stop financial service that allows customers to consult with a financial planner for free about money matters that will arise in their lifetime, from life planning to end-of-life financial affairs, mainly in major cities across the country. On Saturday, March 1, 2025, “Money Doctor Premier AEON Mall Kashihara” will open.

This is the second store to open in Nara Prefecture, following the Nara Family Store.

Money Doctor Premier has opened 30 branches nationwide as a place where local people can easily consult about money matters. In Nara Prefecture, following the opening of the Nara Family branch in October 2024, the second branch, the AEON Mall Kashihara branch, will open on March 1st. The AEON Mall Kashihara will also be celebrating its grand reopening on the same day, with an expanded floor space, transforming it into one of the largest malls in western Japan. With the expected high customer traffic due to the sequential opening of highly convenient specialty stores, we can expect to see an increase in the recognition of Money Doctor and an expansion of the range of services provided.

In addition, AEON Mall Kashihara has signed a “comprehensive cooperation agreement” with Kashihara City and Yamatotakada City with the aim of revitalizing the region and improving public services. Money Doctor Premier will contribute to regional revitalization by providing consultation and advice on the “money” that is essential to our lives, and will support the local community so that everyone can live a vibrant life.

By the end of November 2026, we will have increased the number of stores to 50.

Money Doctor Premier caters to the needs of customers who want to consult about their important finances in a private, relaxed setting. As the number of customers requesting consultations at Premier branches has been increasing year on year, we have drawn up a growth strategy to increase the current network of 30 branches by 20 branches over the next two years, bringing the total to 50 branches by the end of November 2026. By continuing to open new branches energetically, we will create branches that are close to the local community and where customers can visit with peace of mind.
