FP Partner Inc. (Headquarters: Bunkyo-ku, Tokyo; Representative Director and President: Tsutomu Kuroki; listed on the Tokyo Stock Exchange Prime Market), is rolling out “Money Doctor Premier”, a one-stop financial service that offers free consultations with financial planners on all financial matters that may arise in a customer's lifetime, from life planning to end-of-life financial affairs, mainly in major cities across Japan. On Friday, March 28, 2025, we will open the “Money Doctor Premier Amagasaki Q’s Mall Store”.

Free consultation on money in a space inspired by the Showa retro era

Money Doctor Premier currently has 31 branches nationwide, providing a friendly and accessible money consultation service for people in the local community. We have received feedback from customers who have used our services, saying that they were “You answered all of my questions politely and sincerely,” ”Your explanations were easy to understand, and I would like to ask you again next time I have a consultation.”, and we are working to develop more branches with the aim of having 50 branches by the end of 2026, so that we can support even more customers.

Following the opening of the Money Doctor Premier Kobe Sannomiya branch in November 2023, we will be opening our second branch in Hyogo Prefecture, the Amagasaki Q’s Mall Store, on March 28th. The Amagasaki Q's Mall is directly connected to the deck from the north exit of JR Amagasaki Station, and is an attractive facility with good access. Furthermore, the area where our store is located is on the escalator side, which is the center of pedestrian traffic, so we expect it to have a high customer-drawing power. This will allow us to attract more customers, and we also expect to improve the recognition of Money Doctor and expand the area where we provide our services.

The theme of the Amagasaki Q’s Mall Store is “Amagasaki New Retro”. The interior uses art tiles on the walls reminiscent of the old Amagasaki Power Station of the Hanshin Electric Railway in the same

city, creating a warm, nostalgic Showa-era atmosphere.

At the Amagasaki Q's Mall Store, we will provide consultation and advice on the "money" that is essential to life, and support the local community as they go about their daily lives.

About Money Doctor Premier

Money Doctor Premier is a service that allows you to consult with a financial planner (FP) for free about anything related to money that you may need in your life, such as retirement funds, asset building, and savings plans for the future. The FP will provide advice tailored to your individual life plan in order to help you solve any money-related problems you may have. For consultations that require the expertise of a specialist, the FP will work with you to introduce you to a tax accountant or judicial scrivener, etc.

As the number of customers who want to discuss important financial matters in a relaxed private room setting increases year on year, we have mapped out a growth strategy to increase the number of branches from the current 30 branches as of the end of November 2024 by 20 branches over the next two years, bringing the total to 50 branches by the end of November 2026. By continuing to open new branches energetically, we will create branches that are close to the local community and where customers can visit with peace of mind.
