Notice Concerning Withdrawal of AUTOBACS Licensed Stores in Malaysia

AUTOBACS SEVEN Co., Ltd. (the "Company") is currently reviewing its business portfolio and prioritizing the allocation of management resources to growth areas in order to achieve the targets set forth in its 2024 Mid-term Business Plan. As part of these initiatives, the Company hereby announces that it has decided to reorganize its retail operations in Malaysia and to withdraw AUTOBACS licensed stores from the Malaysian market.

1. Reason for Withdrawal
   Since entering Malaysia in 2013, the Company has operated licensed stores with the aim of developing a franchise business. Currently, a total of four stores are in operation, with two operated by the Company's subsidiary AUTOBACS CAR SERVICE MALAYSIA SDN. BHD. and two operated by the local company G-7 RETAIL MALAYSIA SDN. BHD. However, after a comprehensive review of the current retail business environment in Malaysia and the maintenance and management costs, the Company has decided to withdraw from the operation of these licensed stores as of the end of March 2026.

2. Future Initiatives
   The Company will focus on expanding its wholesale business in Malaysia through sales channels such as authorized dealers that handle private label products. By swiftly developing operations tailored to local needs, the Company aims to increase profitability and further enhance the value of its brand in the region.

3. Future Outlook
   The impact of this matter on the Company's consolidated financial results is minor.
