Continued selection as a constituent of the ESG investment index "FTSE JPX Blossom Japan Sector Relative Index"

UT Group Co., Ltd. is pleased to announce that it has been selected as a constituent of the “FTSE JPX Blossom Japan Sector Relative Index,” the world's leading ESG (Environmental, Social, and Governance) investment indices developed by FTSE Russell.

■ FTSE JPX Blossom Japan Sector Relative Index

This index is designed to be sector-neutral and reflect the performance of Japanese companies that excel in environmental, social and governance (ESG) responses relative to their peers in each sector. This index has been adopted as the passive investment benchmarks for ESG by "GPIF" (Government Pension Investment Fund), one of the world's largest pension fund management organizations.

■ UT Group’s Sustainability Initiatives

Guided by our mission, “Creating vitality through the power of work,” we strive to achieve sustainable business growth while promoting initiatives that contribute to the realization of a sustainable society. Going forward, we will continue to enhance corporate value through our business activities and contribute to the sustainable development of society.
