Notice Regarding Shareholder Benefit Program with Coincheck, Inc.

Metaplanet Inc. (the "Company") hereby announces the details of its shareholder benefit program available through "Coincheck," the cryptocurrency trading service operated by Coincheck, Inc., as set forth below. Coincheck, Inc., a subsidiary of Monex Group, Inc. and Nasdaq-listed Coincheck Group N.V., is one of Japan's leading cryptocurrency exchange operators.

This program embodies the "Wealth" pillar of the Company's shareholder benefit theme: "Wealth, Health, and Joy." By providing shareholders—our partners in supporting the Company's business—with Bitcoin-related benefits, the Company seeks to enhance shareholder value while furthering its commitment to promoting the adoption and utility of Bitcoin.

1. Program Overview

(1) Eligible Shareholders (shareholders who satisfy all of the following conditions)

- Shareholders who hold at least one unit of the Company's shares (100 shares) as of June 30, 2026 (*1).
- Shareholders who, by August 12, 2026, complete the application registration on "Coincheck"s dedicated campaign landing page (scheduled to be launched on July 13, 2026) using the shareholder benefit code (coupon code) issued through the Company's Shareholder Portal.
- Individual shareholders who newly open a cryptocurrency trading account with "Coincheck" between July 13, 2026 and August 16, 2026 (*2).

(*1) To be eligible for this shareholder benefit program, shareholders must be recorded in the Company's shareholder register as holding at least 100 shares of the Company's common stock as of June 30, 2026. For reference, the last trading day with entitlement rights for a June 30, 2026 record date is June 26, 2026 (Friday). This notice is provided solely for the purpose of informing shareholders of the eligibility requirements and schedule of this shareholder benefit program and does not constitute a solicitation or recommendation to purchase the Company's shares or engage in any other investment activity.

(*2) For instructions on how to open a "Coincheck" account, please refer to the Coincheck Column article, "How to Open a Coincheck Account."

(2) Details of the Shareholder Benefit

A total of JPY 20 million worth of Bitcoin will be distributed to eligible shareholders through a lottery conducted by “Coincheck”.

- 50 shareholders: Bitcoin worth JPY 100,000 per shareholder.
- 1,500 shareholders: Bitcoin worth JPY 10,000 per shareholder.

(3) Timing of Bitcoin Distribution

Bitcoin will be credited to the “Coincheck” accounts of the winning shareholders after the application period ends. The distribution is scheduled for late September 2026. The exchange rate used to determine the amount of Bitcoin to be awarded will be the rate at the time of distribution on “Coincheck”.

(4) Application Method

① Log in to the Company’s Shareholder Portal and select “Coincheck Benefit.”

② Confirm and copy the shareholder benefit code (coupon code) displayed on the screen.

③ Access the dedicated landing page for this campaign to be opened by “Coincheck”, scheduled to be launched on July 13, 2026, via the Shareholder Portal.

④ Paste the shareholder benefit code (coupon code) on the landing page, enter your email address, and apply for the lottery.

⑤ Open a cryptocurrency trading account with “Coincheck”.

⑥ After the application period ends, Bitcoin will be credited to the relevant “Coincheck” accounts of the winning shareholders.

2. About Coincheck

Coincheck, Inc. operates under the mission of “Making New Value Exchange More Accessible.” Its services include “Coincheck,” a cryptocurrency trading service for retail customers that ranks No. 1 in Japan in terms of active users (*1) and has been the No. 1 cryptocurrency trading app in Japan by number of downloads for seven consecutive years (*2); “Coincheck Prime,” which supports cryptocurrency trading and custody for corporations and institutional investors; “Coincheck CaaS,” an embedded cryptocurrency trading service; and “Coincheck Partners,” which supports on-chain related businesses for corporate clients. As a member of the Monex Group, Inc., listed on the Prime Market of the Tokyo Stock Exchange, and Coincheck Group N.V., listed on Nasdaq, Coincheck, Inc. provides “new value exchange” created by crypto assets such as Bitcoin and Ethereum and blockchain technology under principles of transparency, reliability, and security.

3. Initiatives to Enhance Shareholder Value

The Company positions its shareholders as “partners who support the Company’s business” and regards the maximization of shareholder value as a key management priority. Beginning in July 2026, the Company will roll out a new shareholder benefit program under three themes: “Wealth,” “Health,” and “Joy.”

The partnership with Coincheck, Inc. represents an initiative embodying the “Wealth” theme. It is aligned with the Company’s policy of pursuing a Bitcoin-centered treasury strategy. By providing shareholders with an opportunity, through “Coincheck”, to directly hold Bitcoin itself, the Company aims to promote the broader adoption of Bitcoin while enhancing shareholder value.

The Company will continue to enhance shareholder benefits, encourage long-term ownership of the Company’s shares, and further strengthen the connection between shareholders and the Company’s business through strategic partnerships with leading companies across various industries.
