Notice Regarding the Recording of Non-operating Income (Subsidy Income)

Dynamic Map Platform Co., Ltd. hereby announces that the Company has recorded non-operating income (subsidy income) as follows.

1. Details of Non-operating Income (Subsidy Income)

Our company has been selected as a subsidy recipient for the “Large-Scale Demonstration of Technologies for Updating High-Precision 3D Map Data Globally Using Probe Car Data,” a project under the Small/Startup Business Innovation Research by the Ministry of Economy, Trade and Industry. As of March 11, 2026, following the approval of an advance payment for expenses incurred from April 1, 2025, to October 31, 2025, an amount of JPY 138 million was recognized as subsidy income and recorded as non-operating income.

2. Impact on Business Performance

The impact of the above non-operating income (subsidy income) on our business performance has already been incorporated into the consolidated financial forecast for the fiscal year ending March 2026 that has been previously announced, and there is no revision to the earnings forecast.
