Global Link Management Inc. ("the Company") hereby announces that it today completed the payment for the disposal of treasury stock as restricted stock remuneration resolved by the Board of Directors on April 21, 2026. The Company also announces that there has been a change to the originally planned number of shares to be disposed of due to a partial forfeiture.

For details of this matter, please refer to "Notice Concerning the Disposal of Treasury Stock as Restricted Stock Remuneration" dated April 21, 2026.
