Effective date	June 22, 2026	–	June 23, 2025
Source of dividends	Retained earnings	–	Retained earnings

2. Reason

The Company has positioned efforts to return profits to shareholders through the medium- to long-term improvement of corporate value to be one of its key management issues. It will ensure a steady and sustainable stream of dividends while considering future business investment, enhancement of shareholders' equity, and other factors, adopting a standard of a consolidated dividend payout ratio of at least 35% or a DOE (consolidated dividend on equity ratio) of at least 3.5%, whichever is higher.

As profit attributable to owners of the parent for the fiscal year ended March 31, 2026 exceeded the initial forecast, the Company has decided to increase the year-end dividend by 2.00 yen from the previously announced 32.00 yen per share to 34.00 yen per share.

Including the total amount of share repurchases, the total return ratio will be 95.3%.
