Enterprise Business Signs New Partnership Agreement in the Subic Area

InfiniVAN, Inc. (“InfiniVAN”), a consolidated subsidiary of the Company responsible for the international telecommunications business, has entered into a Memorandum of Agreement (MOA) with Subic Gateway Park in Luzon, Republic of the Philippines, as described below.

1. Overview of MOA

In September 2025, InfiniVAN opened its fifth office in the Philippines in Subic as part of its International Telecommunications Business (Enterprise). The Subic area is a special economic zone with more than 1,000 potential corporate customers. Following the agreement signed last year with Calamba Premiere International Park, InfiniVAN has now entered into a new agreement with Subic Gateway Park.*

*Subic Bay Gateway Park (SBGP) is an approximately 165-hectare industrial park located within the Subic Bay Freeport Zone. Strategically located with convenient access to key transportation and logistics infrastructure, including Subic Bay International Airport, Subic Bay Seaport, and major highway networks across Luzon, the park has been developed to accommodate a diverse range of industries, including financial institutions, trading companies, real estate companies, manufacturers, and business process outsourcing (BPO) companies.

InfiniVAN will provide highly stable and reliable ICT solutions to help address the challenges faced by businesses in the area, responding to a wide range of connectivity needs through services including Dedicated Internet Access (DIA), domestic and international connectivity, and network redundancy solutions.

2. **Outlook**

The impact of this agreement on the Company's consolidated financial results is expected to be immaterial at this time. The Company will promptly disclose any matters requiring disclosure should they arise.
