Rocky H. Kato Appointed President of Nano Holdings US, LLC

Nano Holdings is pleased to announce that Rocky H. Kato has been appointed President of our U.S. subsidiary, Nano Holdings US, LLC.

As a strategic investment company, we are committed to accelerating business growth. Strengthening our collaboration with overseas capital partners is positioned as a key component of our strategy, and this appointment represents an important step in advancing the value-creation model of the NANO Group.

Rocky's possesses a strong global network among major international investors and corporations. He is a seasoned professional with a proven track record of channeling global capital into Japan's advanced technology and healthcare sectors. Drawing on his extensive experience collaborating with successful entrepreneurs and investors worldwide, he has led the creation of numerous large-scale business development initiatives. Going forward, he will spearhead fund formation and co-investment activities in the United States.

We expect that Rocky's role as a vital bridge in international capital flows will significantly contribute to the NANO Group's continued and accelerated growth.

Rocky H. Kato

Rocky is an international executive with more than 30 years of leadership experience in business growth and investment across healthcare, technology, and environmental sectors. At Hitachi, Ltd., he drove new business development and venture investment from London, San Francisco, and Tokyo, contributing substantially to profit generation.
He later served as CEO/COO of multiple venture companies, where he led growth through IPOs and M&A, consistently delivering significant enhancements in corporate value.
