The Opening of “KeePer LABO Kagoshima”

KeePer Technical Laboratory Co., Ltd. (Head Office: Obu City, Aichi / Chairman and CEO: Yoshimichi Tani) announces the opening of KeePer LABO Kagoshima Nanei on Saturday, April 4, 2026, in Kagoshima City, Kagoshima as a franchise store operated by TOYOTA COROLLA KAGOSHIMA Co., Ltd. (Head Office: Kagoshima Ctity, Kagoshima / President and CEO: Hiroyuki Nakamura).

Store Name	**KeePer LABO Kagoshima**	Opening Date	**April 4, 2026**
Location	5-10-30 Nanei, Kagoshima City, Kagoshima	Site area	1278.63㎡
Hours of operation	9：00-20：00	Store area	453.45㎡
Management Structure	TOYOTA COROLLA KAGOSHIMA Co., Ltd. (FC Store)	Construction site	On the premises of a car dealership
Store Concept	The Kagoshima Store marks the first new location in Kagoshima City in 5.5 years since the opening of the Kagoshima Kenchomae Store, and it is the 173rd store for KeePer LABO. It is also the 1st franchise store operated by a car dealer. The store is located together with the Toyota GR Garage Kagoshima Store and features 7 coating booths where car washing is also possible (1 of which is equipped with the environment necessary for TREX KeePer application), as well as 6 washing and finishing spaces. Since all areas allow the entire process—from washing to finishing—to be completed on the spot, the design reduces the labor involved in moving vehicles and provides a safe and efficient workflow. In addition to a guest room with counter seats where customers can wait while watching the work being performed, customers can also use the showroom and guest room of the GR Garage Kagoshima Store.
