The Opening of “KeePer LABO Kanazawa Takayanagi”

KeePer Technical Laboratory Co., Ltd. (Head Office: Obu City, Aichi / Representative Director, Chairman, President and CEO: Yoshimichi Tani) announces the opening of KeePer LABO Kanazawa Takayanagi on Monday, December 7, 2026, in Kanazawa City, Ishikawa as a franchise store operated by Idemitsu Retail Marketing Co., Ltd. (Head Office: Chuo-ku, Tokyo / President: Ichiro Hirano).

Store Name	**KeePer LABO Kanazawa Takayanagi**	Opening Date	**December 7, 2026**
Location	84-1, Takayanagi-machi, Kanazawa City, Ishikawa	Site area	1,307.39㎡
Hours of operation	9:00-20:00	Store area	311.25㎡
Management Structure	Idemitsu Retail Marketing Co., Ltd. (FC Store)	Construction site	Within the shopping mall premises
Store Concept	The new store marks KeePer LABO’s 2nd location in Ishikawa Prefecture and its 192nd store nationwide. Located in Kanazawa City, which has a population of approximately 443,000, the store is situated about 1 km in a straight line from Higashi-Kanazawa Station. The store shares its premises with “E-Town Kanazawa,” a shopping center, offering customers the convenience of shopping while their vehicles are being serviced. During winter, de-icing agents are applied to roads in the area, and rust stains caused by snow-melting sprinkler systems are a common concern among local vehicle owners. As a result, there is strong demand for KeePer coatings to remove these stubborn stains and keep vehicles looking clean. The store is equipped with 5 coating bays and 3 washing bays. In anticipation of future growth in demand, the facility has also been designed to accommodate the addition of 3 more coating bays. The guest room features counter seating, allowing customers to relax while observing work being carried out on their vehicles.
