|---|---|---|---|
| Store Name | **KeePer LABO Cainz Horita** | Opening Date | **December 9, 2026** |
| Location | 24-55 Shinkai-cho,<br>Mizuho-ku, Nagoya City, Aichi | Site area | 861.29㎡ |
| Hours of operation | 9:00-20:00 | Store area | 354.16㎡ |
| Management Structure | Directly managed store | Construction site | Within the shopping mall premises |
| Store Concept | This will be the 33rd KeePer LABO store in Aichi Prefecture, the 11th in Nagoya City, and the 194th nationwide.<br>The store is conveniently located near the Horita Interchange on the Nagoya Expressway Route 3 (Odaka Line) and Horita Station, in an area with heavy traffic. It will be situated on the same premises as the existing Cainz Horita store. With this new location in Nagoya, where KeePer LABO already has many stores, customer convenience is expected to improve further, while the store is also anticipated to attract many new customers.<br>The store will feature seven dedicated coating bays and four washing and finishing bays. All four washing and finishing bays can also be fully enclosed. This configuration enables the store to perform coating work on up to 11 vehicles simultaneously. All work can be carried out indoors, a facility feature that customers particularly appreciate.<br>Another key advantage is that customers can make effective use of their waiting time by shopping at Cainz while their vehicles are being serviced. | | |
