KOMORI Executes Loan Agreement under Mizuho Eco Finance with Mizuho Bank

KOMORI CORPORATION (President and CEO: Satoshi Mochida; hereinafter "KOMORI") has entered into a loan agreement with Mizuho Bank, Ltd. (Head Office: Chiyoda-ku, Tokyo; hereinafter "Mizuho Bank") under the Mizuho Eco Finance program.

Mizuho Eco Finance is a sustainable finance product offered by Mizuho Bank. Financing is provided to companies that meet certain criteria based on the results of evaluations conducted using an environmental assessment model that incorporates globally recognized environmental certifications and evaluation indicators to assess companies' environmental initiatives.

In addition, the Mizuho Eco Finance framework, including its assessment methodology, has obtained a third-party opinion from Japan Credit Rating Agency, Ltd. (JCR), confirming its alignment with the *Concept Paper on Impact Finance* published by Japan's Ministry of the Environment.

KOMORI has established greenhouse gas emission reduction targets with fiscal 2030 as its target year and is advancing initiatives aimed at achieving carbon neutrality by 2050. The Company's policies, initiatives, and disclosures related to climate change were highly evaluated under the assessment model, which led to the execution of this loan agreement.

Guided by its purpose, *"Delivering Kando 'beyond expectations' by contributing to society with print technology,"* KOMORI is committed to addressing social issues and enhancing corporate value through its business activities. KOMORI will continue striving to reduce its environmental impact while contributing to the realization of a sustainable society.
