Notice Regarding Price Revisions

We would like to extend our friendliest greetings to you and thank you for your continued patronage of our products.

As you already know, prices of major raw materials and purchased equipment continue to rise due to growing tensions in the international environment. In such an environment, we are working hard to improve our productivity and operational efficiency. However, such efforts alone are not enough to absorb the rising costs.

Therefore, we have reluctantly decided to revise the prices of our products as detailed below. We appreciate your understanding.

We will continue our utmost efforts to further improve our product and service quality, while fulfilling our responsibility to supply products. We hope to receive your continued patronage.

Sincerely yours,

1. Effective date of the price revision: Monday, April 5, 2027
2. Products subject to the price revision and price revision rates

Product line	Revision rate
Plastic enclosures	Approx. 10%
Circuit breakers/switches/terminal blocks	Approx. 15%
Home panel boards	Approx. 10%
Standard panel boards	Approx. 2 to 8%
Standard control panel boards	Approx. 30%
Some optional accessories for server racks*	Approx. 3%

* Only power supply subracks are subject to the price revision.

The above revision rates are approximate for each product line; therefore, the rates may vary depending on the product.

The revised prices will be announced in detail in our General Catalogue 2027-2028 to be issued in March 2027.
