2. Reason

With respect to the policy on shareholder returns for the fiscal year ending March 31, 2027, the Company aims to achieve a total return ratio of at least 50% on a consolidated basis, while maintaining financial soundness, and will implement a progressive dividend policy in principle. Since the fiscal year ended March 31, 2026, the Company has paid dividends from surplus, comprising an interim dividend and a year-end dividend, for the purpose of enhancing medium- to long-term share value and creating more opportunities to return profits to shareholders.

Based on the above policy, the Board of Directors resolved to pay an interim dividend of 12.00 yen per share for the fiscal year ending March 31, 2027, in line with the dividend forecast announced on May 12, 2026.
