Notice of the bronze sponsorship for “Growth Frontiers Tokyo” organized by Airline Economics Ltd.

JP Lease Products & Services Co., Ltd. (hereinafter referred to as “JLPS”), which belongs to the JIA Group, will become a bronze sponsor for “Growth Frontiers Tokyo” which will be hosted by Airline Economics Ltd. and held at Palace Hotel Tokyo from April 14 to 15, 2026.

“Growth Frontiers Tokyo” is hosted by Airline Economics Ltd., a publication/event-planning company specializing in the airline industry. This is one of important international conferences, at which many people related to the industry of aircraft finance get together. At this conference, Yasuhiro Nakauchi, who is Executive Director of Specialty Finance Department II, Business Development Division and Senior Director of Aircraft Finance Department of the same Division of JLPS, plans to serve as a panelist at the panel discussion “JOLCO Panel,” which will be held on April 14.

By sponsoring “Growth Frontiers Tokyo” the JIA Group will develop a wide-ranging close network to increase opportunities to create operating lease deals in the global aircraft market and improve our brand competitiveness in the airline industry.
