Notice Concerning Consideration Status of Financing Arrangements

Net Protections Holdings, Inc. (the "Company") hereby announces that, as announced in the "Notice Concerning Extension of Maturity of Loan Agreements Containing Financial Covenants" as of September 18, 2026, the Company's group (the "Group") is currently engaged in discussions with the relevant financial institutions regarding an upgrade of its existing financing and cash management framework and there has been some progress on this consideration status. Details are as set forth below.

As announced in the "Notice Concerning Extension of Maturity of Loan Agreements Containing Financial Covenants" as of September 18, 2026, Net Protections, Inc., a wholly owned subsidiary of the Company entered into an amendment agreement on September 25, 2026 with each lender (the "Amendment Agreement") under the agreement on syndicated loan for a term loan and a committed credit line entered into on March 28, 2022, the principal purpose of which is to extend the borrowing/commitment period.

The borrowing period/commitment period for the term loan and the committed credit line under the Amendment Agreement will expire on December 30, 2026; therefore, with a view to achieving sustainable business growth, the Group intends to upgrade its existing financing and cash management framework to make it more sophisticated and flexible.

In line with this policy, the Group has been having discussions with the relevant financial institutions and is engaged in selection of the prospective counterparties and negotiation of the contract terms, towards the execution of the agreement on new syndicated loan for a term loan and a committed credit line and of an overdraft facility agreement for the purpose of streamlining daily cash management.

The Company will promptly make an announcement if any material decision is made regarding this matter.
