2. Policy Regarding Profit Distribution and Dividends

We consider distributing earnings to shareholders to be one of the Sanrio Group's highest priorities. More specifically, on the premise of implementing stable dividends, we will base our policy on adding to dividends according to consolidated results when circumstances permit. Regarding the dividend for the fiscal year under review, although net profit attributable to owners of the parent increased slightly from plans at the beginning of the fiscal year, the year-end dividend will remain 15 yen per share as announced on May 14, 2019.
