Taking over the business from an agency specializing in life and non-life insurance with 23 years of history

~Acquiring the Customer Base and Employees Cultivated Through Community-Based Operations~

FP Partner Inc. (Headquarters: Taitou-ku, Tokyo; Representative Director and President: Tsutomu Kuroki; listed on the Tokyo Stock Exchange Prime Market), has reached an agreement with Chuo Japan Co., Ltd. (Headquarters: Ichinomiya City, Aichi Prefecture; Representative Director: Jun Ito; hereinafter "Chuo Japan"), an insurance agency with 23 years of operation, regarding the transfer of approximately 9,000 policies in force (annual premium income of approximately 800 million yen).

Regarding the Policy Transfer

For the past 23 years since its founding, Chuo Japan has been operating an agency business primarily in Ichinomiya City, Aichi Prefecture. It is a multi-insurer agency that handles products from three non-life insurance companies and five life insurance companies, with a focus on Sompo Japan Insurance Inc. (hereinafter "Sompo Japan"). Furthermore, the company has been awarded the highest ranking under Sompo Japan's "PA System (Professional Agent System)" agency certification program and is highly regarded for both the quality of its services and its sales performance.

We have reached an agreement to take over the employment of employees who wish to continue working with us and retain their life and property & casualty insurance policies with our company, with the aim of further growing our life and property & casualty insurance businesses in this area and providing higher-quality services to our customers. Moving forward, we will leverage the strengths in the life and non-life insurance businesses and the relationships of trust with customers that Chuo Japan has cultivated through its community-based business activities. By creating an environment where employees can grow and thrive, and by integrating these strengths into our life insurance business foundation, we aim to deliver even greater value in the market centered on Aichi Prefecture.

In addition, we provide after-sales support to policyholders, including confirming policy details, processing claims for insurance benefits and payments, reviewing life and non-life insurance policies, and consulting on additional policies. We also offer a wide range of financial consulting services—such as creating life planning spreadsheets and providing guidance on wealth creation—through our free financial planning consultation service, “Money Doctor.”
