Notice Concerning Difference Between Full-Year Non-consolidated Results and Previous Period Results

MEIWA CORPORATION hereby announces the following differences between non-consolidated results for the fiscal year ended March 31, 2026 (April 1, 2025 to March 31, 2026) and results for the previous fiscal year

1. Difference Between Earnings Forecast and Actual Results

(1)Difference between Results for the Fiscal Year Ended March 2026 and Results for the Previous Fiscal Year

	Net sales	Operating income	Ordinary income	Net income
Fiscal year ended March 31, 2024 (A)	Million yen 101,139	Million yen 2,326	Million yen 4,960	Million yen 4,120
Fiscal year ended March 31, 2025 (B)	96,288	2,078	2,912	2,734
Change (B-A)	(4,851)	(248)	(2,047)	(1,385)
Change (%)	(4.8)	(10.7)	(41.3)	(33.6)

(2) Reason for the difference

Operating income decreased despite net sales being generally in line with the previous fiscal year, due to an increase in selling, general and administrative expenses. Ordinary income decreased due to the decline in operating income and a decrease in dividends received from subsidiaries. As a result, net income fell below the previous fiscal year's results, despite an increase in extraordinary income from the partial sale of strategically held shares.
