Notice Regarding Reduction in the Amount of Legal Capital Surplus and Legal Retained Earnings

The Company hereby announces that at the Board of Directors meeting on May 21, 2026, it was resolved to submit a proposal for the reduction in the amount of legal capital surplus and legal retained earnings (hereinafter referred to as ""this matter"") to the 109th Ordinary General Meeting of Shareholders scheduled to be held on June 25, 2026 (hereinafter referred to as ""this General Meeting""), as described below.

Details

1. Purpose and method of the Reduction in the Amount of Reserves

The Company recorded impairment losses on shares of subsidiaries in its non-consolidated financial statements for the current fiscal year (FY ended March 2026). As a result, the distributable amount under the Companies Act for future year-end dividends and other distributions is expected to be insufficient.

Although the above impact is due to temporary accounting treatment in the non-consolidated financial statements, the Company considers continuous and stable returns to shareholders as one of its most important management priorities. Therefore, in order to increase the distributable amount and to ensure flexible capital policies and stability of the financial base going forward, the Company will reduce the amount of legal capital surplus and legal retained earnings and transfer them to other capital surplus and retained earnings brought forward, respectively, pursuant to the provisions of Article 448, Paragraph 1 of the Companies Act.

2. Details of the Reduction in the Amount of Reserves

(1) Reserve items to be reduced and the amounts thereof

Legal capital surplus	¥20,000,000,000
Legal retained earnings	¥1,505,919,344

(2) Surplus items to be increased and the amounts thereof

Other capital surplus	¥20,000,000,000 (same amount as the reduction in legal capital surplus)
Retained earnings brought forward	¥1,505,919,344 (same amount as the reduction in legal retained earnings)

(3) Effective date

June 25, 2026 (scheduled)

3. Schedule

(1) Date of Board of Directors resolution	May 21, 2026
(2) Date of public notice for creditor objections	May 22, 2026 (scheduled)
(3) Final date for creditor objections:	June 22, 2026 (scheduled)
(4) Date of General Meeting of Shareholders resolution	June 25, 2026 (scheduled)
(5) Effective date	June 25, 2026 (scheduled)

4. Future Outlook

This matter is a transfer between accounts within the Company's net assets section and does not result in any change to the total amount of the Company's net assets. Therefore, there will be no impact on the Company's business performance.

The reduction in the amount of legal capital surplus and legal retained earnings in this matter shall take effect on the condition that it is approved and resolved at this General Meeting and that the creditor protection procedures prescribed by the Companies Act are completed.
