Notice Concerning Revisions to Financial Results Forecast and Dividends Forecast (Dividend Increase)

Kanagawa Chuo Kotsu Co., Ltd. (the "Company") hereby announces that the full-year financial results forecast for the fiscal year ending March 31, 2027 (April 1, 2026 - March 31, 2027) and the dividends forecast announced on April 28, 2026 have been revised as follows.

1. Revisions to the Full-Year Financial Results Forecast

(1) Full-year consolidated financial results forecast for the fiscal year ending March 31, 2027 (April 1, 2026 - March 31, 2027)

	Net sales	Operating profit	Ordinary profit	Profit attributable to owners of parent	Basic earnings per share
	Millions of yen	Millions of yen	Millions of yen	Millions of yen	Yen
Previous forecast (A)	129,700	6,200	5,630	3,730	303.97
Revised forecast (B)	132,400	7,900	7,600	4,150	338.20
Change (B-A)	2,700	1,700	1,970	420	
Change ratio (%)	2.1	27.4	35.0	11.3	
(Reference) Actual consolidated financial results for the previous fiscal year (Fiscal year ended March 31, 2026)	126,773	6,776	6,664	3,619	294.99

(2) Reasons for revision

The Company has revised its forecast for net sales, operating profit, and ordinary profit upward, as passenger demand in the passenger automobile business has exceeded expectations and, in the automobile sales business, sales of high-end new vehicles such as heavy-duty trucks and revenue from vehicle maintenance have remained strong. Furthermore, although the Company will recognize losses associated with the restructuring of other businesses, profit attributable to owners of parent is also expected to exceed the previous forecast.

For details of the financial results forecast, please refer to "Financial Results Briefing Materials for the Six Months Ended September 30, 2026," announced today.

2. Revisions to the Dividends Forecast

(1) Dividends forecast for the fiscal year ending March 31, 2027

	Annual dividends		
	2nd quarter-end	Year-end	Total
Previous forecast		Yen 45.00	Yen 90.00
Revised forecast		50.00	95.00
Dividends paid during the fiscal year ending March 31, 2027	Yen 45.00		
(Reference) Dividends paid during the previous fiscal year (Fiscal year ended March 31, 2026)	45.00	45.00	90.00

(2) Reasons for revision

The basic policy of the Company is to pay stable dividends, with the target of a consolidated payout ratio of 30% and a ratio of dividends to consolidated net assets of 2% while enhancing internal reserves necessary to strengthen its management foundation in preparation for future business investments and changes in the business environment.

Regarding the year-end dividends forecast for the fiscal year ending March 31, 2027, which was set at 45.00 yen per share, the Company has decided to revise it to 50.00 yen per share, an increase of 5.00 yen per share, in consideration of the recent performance trends and financial position of the Company. As a result, the annual dividends will be 95.00 yen per share.

* The above forecasts are based on information available to the Company at the time of preparation of this document, and actual financial results, dividends amount, etc. may differ from these forecasts due to various factors in the future.
