Announcement of the Commencement of Discussions Concerning Dogecoin-Related Business Initiatives with House of Doge and abc Co., Ltd.

ReYuu Japan Inc. ("ReYuu Japan") hereby announces that, pursuant to the strategic tripartite partnership agreement disclosed on January 8, 2026, the Company has commenced discussions with House of Doge ("HoD") and abc Co., Ltd. ("abc") regarding potential Dogecoin-related business initiatives, as outlined below.

The impact of this matter on the Company's consolidated financial results is expected to be immaterial.

1. Background and Purpose

The Company positions its crypto-asset treasury strategy as part of its medium- to long-term strategy.

As disclosed on January 8, 2026, the Company entered into a three-party strategic

partnership with House of Doge and abc Co., Ltd., under which the parties have been exploring potential collaboration in the Dogecoin ecosystem and Real World Asset (RWA) domain.

Dogecoin is one of the major digital assets globally, characterized by substantial liquidity and a broad community base. The Company believes that the evolving Web3 landscape presents potential opportunities for ecosystem-linked initiatives beyond simple asset holding.

Based on these developments, the Company has determined that initiating structured discussions regarding Dogecoin-related initiatives may contribute to long-term corporate value enhancement.

2. Scope of Discussions

The discussions will focus primarily on:

- Exploratory initiatives related to Dogecoin-based business opportunities
- Identification of potential collaboration themes within the Web3 ecosystem
- Review of risk management frameworks in light of regulatory developments in relevant jurisdictions

At this stage, no specific product design, fund formation, ETF structure, or investment execution has been determined.

3. Outlook

The discussions are currently at an early stage. The impact on the Company's financial results is expected to be immaterial.

Important Notes

- This announcement does not obligate any party to engage in any investment, issuance, purchase, sale, or other transaction at the current stage. Any concrete initiatives will be subject to separate agreements and the completion of internal approvals by each party.
- The information contained in this release is current as of the date of publication and may be subject to change due to future developments.
- This press release is provided for informational purposes only and does not constitute a solicitation to acquire or dispose of any crypto assets.
