Notice Concerning Change in Reportable Segments

NISHIO HOLDINGS CO., LTD. (the "Company") hereby announces that at a meeting of its Board of Directors held on today, it was resolved that the Company will change its reportable segments as set out below.

Details

1. Reason for change in reportable segments

Since shifting to a holding company structure in April 2023 to improve management efficiency, the Nishio Holdings Group (comprising the Company and its consolidated subsidiaries) has worked to solidify its management base through organizational restructuring that includes the consolidation of group businesses and withdrawal from non-core businesses, and the optimization of management resources.

As part of this effort, the Company will change its reportable segments from the previous single segment (Rental-related Business) to three segments (Domestic Construction Equipment Business, Domestic Event Business, and Overseas Business.)

Information on business activities not included in the reportable segments after the change will be disclosed under the category "Other."

2. Details of changes in reportable segments and details of each segment after the change

Business Description	**Before Change**		**After Change**
Rental and sales of equipment for construction and facility works, and event-related equipment, etc.	Rental-related Business	⇒	Domestic Construction Equipment Business
			Domestic Event Business
			Overseas Business
Information on business activities not included in the above	Other		Other

3. Timing of change

Disclosures will be made in the new reportable segments starting with the financial results for the first quarter of FY9/2027.
