Unipres Corporation (headquartered in Yokohama, Kanagawa Prefecture, Japan; Mr. Masanobu Yoshizawa, President and Representative Director) has published "Unipres CSR Report 2020," which sets forth the approaches to fulfillment of corporate social responsibility (CSR) in the Unipres Group.

We produced "Unipres CSR Report 2020" for the purpose of presenting approaches to and issues in the CSR activities of the Unipres Group, and clearly conveying them to all of our stakeholders. The report introduces activities mainly during fiscal 2019 (from April 1, 2019 to March 31, 2020) in each stakeholder category. We have also newly set medium- and long-term CSR targets for fiscal 2030. Although there are also some respects in which our CSR-related approaches are still insufficient, we are committed to continued promotion of activities through dialogue with our stakeholders.
