Notice of Exceeding 700 billion yen in Unredeemed Balance

Financial Products Group Co., Ltd. (hereinafter "FPG") is respectively arranging operating leases in the Lease Arrangement Business and small-lot real estate products in the Real Estate Business, and selling them to investors.

FPG announces that the unredeemed balance (*) (sold amount minus redeemed amount) of the total amount of funds received from investors in the Lease Arrangement Business and sales to investors in the Real Estate Business exceeded 700 billion yen as of the end of December 2019.

The unredeemed balance is expected to reach 1 trillion yen in the fiscal year ending September 2022. Expectation accounting for more than approximately 200 billion yen of the unredeemed balance will become due for redemption in the five years from the fiscal year ending September 2020. Many investors with transactions that have already become due for redemption have been reinvested and FPG is aiming to further increase the amount of equity placements by further capturing the demand for reinvestment.

* Changed the wording from "asset under management" to "unredeemed balance"
