Ichigo's Shin Yokohama Kokusai Hotel (Main Building) to Begin Accommodating Covid Patients

Ichigo would like to express its deepest condolences to all those affected by the Covid pandemic, along with our wishes for the earliest and fullest possible recovery. We would also like to express our gratitude and admiration for the hard work, dedication, and commitment of medical and all other essential workers.

Pursuant to a request from Kanagawa Prefecture, the Shin Yokohama Kokusai Hotel (Main Building), owned by Ichigo and operated by Hospitality Operations, will begin accommodating Covid patients with mild symptoms from February 1, 2021. As a member of the local community, the hotel has long been providing hospitality and comfort to Japanese and international guests.

In accommodating Covid patients, Ichigo is seeking to contribute to Covid relief efforts during an especially difficult time. We look forward to welcoming back guests in the near future.

We apologize for the inconvenience this causes guests with reservations from February 1, 2021, and appreciate the understanding and cooperation of all stakeholders.
