Notification of Selection as a Loan Margin Trading Issue

Raksul Inc. hereby announces that its stock, which was previously selected as a standardized margin trading issue on the First Section of the Tokyo Stock Exchange, has also been designated as a loan margin trading issue.

The selection date is Friday, June 18th, 2021 and trading will be effective as of the same date.

We believe that the selection of our stock as a loan margin trading issue will promote improvement of both the company stock liquidity and the supply-demand relationship as well as contribute to active trading and fair pricing.
