GLORY Group
2023 Medium-Term Management Plan
(FY2021 ~ FY2023)

Review of 2020 Medium-Term Management Plan (FY2018 ~ FY2020)

2020 Medium-Term Management Plan

Review of 2020 Medium-Term Management Plan

[Performance targets not achieved due to the spread of COVID-19]

- Domestic: **Sales targets achieved** for financial and retail & transportation markets, underpinned by brisk performance of maintenance services and the expanding needs for contact-free, self-service machines
- Overseas: **Sales targets not achieved** due to prolonged business negotiations and COVID-19
- New businesses: **Business bases developed** to prepare for growth

Review of Business Strategy

[Domestic Business] Respond to the market changes flexibly and promote solution proposals

- Realization of next generation branch style, expansion of “non-cash” business sector -

	Key Measures	Review
Financial	- Expand sales of products that realize next generation branch style - Expand main financial product sales	- Expanded the self-service product line, etc. in line with customers' visions for “next-generation stores” - Acquired large demand for main products, including WAVE and RB - Increased sales from maintenance services owing to system modifications required for the scheduled issuance of new 500-yen coins
Retail	- Expand sales of products for self check-out such as Coin and banknote recyclers for cashiers & Ticket vending machines - Expand “non-cash” business sector (electronic settlement, voucher processing, biometric authentication)	- Took advantage of the expanding needs for contact-free, self-service machines to expand sales of automated machines, including coin and banknote recyclers for cashiers and ticket vending machines - Launched the settlement fee business and automatic post-care medical payment processing
Amusement	Increase profitability by strengthen solution proposal	Sales decreased as capital expenditure was curbed due to COVID-19

[Overseas business] Further growth of financial market by expanding business of self-operation machines & acceleration of retail business

Regions	Key Measures	Review
Americas / EMEA	(Financial) Wider use of banknote recycler for tellers and cultivation of “Self” market (Retail) Reinforce sales to back-office market and entry to front market	(Financial) U.S.: Business negotiations for new/replacement demand prolonged due to COVID-19 Europe: Sales of self-service machines expanded despite sluggish TCR sales due to COVID-19 (Retail & Transportation) U.S.: Sales in the front market expanded on the back of increased need for self-service machines Europe: Sales expanded both in the back-office and front markets
Asia	(Financial) Expand sales of banknote recycler for tellers in main countries (Retail) Investment in potentially high-growth countries	(Financial) TCR sales slow in Singapore, China, and other key markets due to COVID-19 (Retail) Retail sales expanded in Singapore, Australia, and other key markets

Basic Policy / Key Initiatives

	Basic Policy	Key Initiatives	Main products/services
Business Strategy	I Accelerate Business growth to develop "next generation"	- Expand business domain having a high affinity with core business domain (kiosk services, data management platform <DMP>, electronic settlement, etc.) - Improve profits in biometric/image recognition business and robot business by utilizing the sales channels of domestic business	 KIOSK, UBIQUULAR™, BUYZO
	II Maximize core business profits by innovation	- Provide the product/service lines that cater to the need for contact-free, self-services devices - Release the latest-model products, including teller cash recyclers (TCRs) and coin and banknote recyclers for cashiers - Seize the replacement demand to coincide with new banknotes issue in Japan	 Coin and banknote recyclers for cashiers, Open teller systems, CI-series, GLR-series
Management base	III Establish management base to support sustainable growth	- Enhance cash-generating ability to support growth investment and fulfilling shareholder returns - Promote DX for speedy management decisions such as by introducing a new ERP system - Improve employee engagement	
Sustainability Policy			

Contribute to the sustainable growth of society and promote measures to improve corporate value

- Reduce CO2 emissions by 15% (vs. fiscal 2013) to contribute to decarbonized society
- Respect human rights and diversity
- Strengthen corporate governance

Performance Target by Business Segment

Overseas Business Strategy

Expanding Beyond Cash !!

	[Retail] Key Initiatives	[Financial] Key Initiatives
Core business domain	- Expand sales of coin and banknote recyclers for cashiers capturing needs for self-services machines - Enhance global expansion of back-office products - Boost CI Series sales through integration with kiosks and digital services (UBIQUALAR)	- Expand sales of the latest model of TCRs - Strengthen sales of self-service products/services (G200 Series, Teller Infinity, etc.)
Core business domain	- Realize synergy with Acrelec early - Provide cash infrastructure in place of ATMs (viacash, etc.) - Expand sales of new digital service solution using cloud service (UBIQUALAR) (Provided cloud-based services such as remote monitoring, business analysis, money management)	

Kiosk market growth potential
Five-year average growth ratio:
14% or higher (current as of 2018)

Domestic Business Strategy

Create added values and expand business domain centering on current customers

*DMP (=Data Management Platform)
A platform to utilize AI beacon of AdInte with which we have capital and business alliance, to conjugate, divide, and normalize various data of our own and from outside, and preserve and manage it

	Segment	Key Initiatives
New business domain	Common	■ Response to the issuance of new banknotes ■ - Fulfill the corporate mission of supporting social infrastructure - Seize replacement demand from the issuance of new banknotes
	Financial	- Strengthen solutions to self-service machines for next-generation stores - Create added value by introducing IoT technology to products utilizing B-LINK* (*Promote visualization of branches of financial institutions utilizing cloud-based services)
	Retail / Transportation	- Expand sales of self-service machines catering to the market needs for contact-free, self-service operations - Expand the product line and make inroads into untapped markets by introducing new business models
	Amusement	- Strengthen sales of products that support amusement machines reducing gambling elements
Core business domain		■ DMP* business ■ By combining IoT products and DMP, support promotion of DX at financial institutions, retailers, restaurants, etc. ■ Electronic settlement business ■ Expand sales of the settlement fee business and automatic post-care medical payment processing ■ Biometric/image recognition business ■ Expand to new domains (healthcare, long-term care, railway, logistics, etc.) that utilizes biometric/image recognition technology ■ Robot business ■ Provide total solutions by tapping into the customer base gained through the core business

New business domain

Performance
Targets

New business domain **¥40.0**billion

New business
domain
¥40billion

New business

Extension from core business domain

Overseas

- Kiosk business (Acrelec)
- Provide cash infrastructure in place of ATMs (viacash, etc.)
- Expand sales of new digital service solution using cloud service (UBIQULAR)

Core
business
domain
¥260billion

Capital and Financial Strategies / Investment Plan

■ Capital and Financial Strategies ■

- Adoption of IFRS assumed
- Enhance cash-generating ability to support growth investment and fulfilling shareholder returns

■ Investment Plan ■

Strategic investment for core and new business domains (including M & A)

【Change of Shareholder Return Policy】

Reason

- Change to payout ratio before goodwill amortization based on IFRS
- Continue stable dividends throughout the 2023 Medium-Term Management Plan period

Target

- Payout ratio before goodwill amortization of 30% or higher (three fiscal years average during the 2023MTP period*)

* Total dividends paid over the three years / Three fiscal years total of "Net income attributable to owners of parent + Goodwill amortization"

Trend of annual dividend and payout ratio

Confidence Enabled
