Reasons for revision	The forecast of consolidated results for fiscal 2021 had been undetermined due to the difficulty in making reasonable estimation due to the effects of the COVID-19 pandemic, but an estimate was calculated based on information, forecasts, etc. currently available. Throughout fiscal 2021, pro-wrestling matches, live music shows and events were postponed or cancelled, consumption was affected due to closure, etc. of stores, and production and sales schedules for content creation and merchandising were affected due to the spread of COVID-19. Especially in the Live IP business, because holding of events with limited capacity continued, operating profit has largely decreased.
