Notice Regarding Dividend Payment

Financial Partners Group Co., Ltd. announced that the Board of Directors decided at its meeting held on October 31, 2024, to discuss the proposal of dividends with a record date of September 30, 2024, at the 23rd Ordinary General Meeting of Shareholders scheduled to be held on December 20, 2024. The details are as follows.

1. Reasons for Dividends

The basic policy concerning shareholders' return is to provide continuous and stable dividends to shareholders while securing the internal reserves necessary for sustainable growth and increased corporate value, and we have set the dividend payout ratio of 50% for the full year as our target. Under this policy, we have decided to pay an ordinary dividend of 81.55 yen per share for the current fiscal year's year-end dividend. In order to provide more opportunities for returning profits to shareholders, we have decided to pay dividends from surpluses twice a year—an interim dividend and a final dividend—starting from this fiscal year.
