Notice of revision of the year-end dividend forecast for FY2024.12

At a meeting held today, the Shizuoka Gas Co., Ltd. Board of Directors resolved to revise its annual dividend forecast for the fiscal year ending December 31, 2024, as described below.

1. Revision of the year-end dividend forecast for the fiscal year ending December 31, 2024

	Dividends per share		
	End of Second Quarter	End of Fiscal Year	Annual
Previous forecast announced on February 7, 2024		13.00 yen	26.00 yen
Revised forecast		27.00 yen	40.00 yen
Result for FY2024.12	13.00 yen		
Result for FY2023.12	10.00 yen	15.00 yen	25.00 yen

2. Reasons for Revision

Based on our medium- to long-term performance forecasts, we have comprehensively considered future performance, return on equity (ROE), and dividend on equity (DOE), which is calculated by multiplying the dividend payout ratio. As a result, we have revised our forecast for the year-end dividend per share for the current fiscal year.
