Notice Regarding the Introduction of a Shareholder Benefit Program

At the Board of Directors meeting held on January 30, 2025, our company resolved to introduce a shareholder benefit program. We are pleased to announce the details as follows.

1. Purpose of Introducing the Shareholder Benefit Program

This program has been established to express our gratitude for the continued support of our shareholders. By introducing a shareholder benefit program, we aim to enhance the investment appeal of our company's stock, encourage more people to hold our shares, and deepen understanding of our group's services.

2. Details of the Shareholder Benefit Program

(1) Eligible Shareholders

Shareholders who hold at least six trading units (600 shares) of our company's stock as of the initial reference date, March 31, 2025, and subsequently as of March 31 each year, as recorded in the shareholder register, will be eligible.

(2) Details of Shareholder Benefits

Number of Shares Held	The contents of the benefits
600 shares or more	Six coupons worth $30 USD each, SORACOM Mobile, will be issued. Validity period: One year, from June to the following May.

(3) Time of presentation

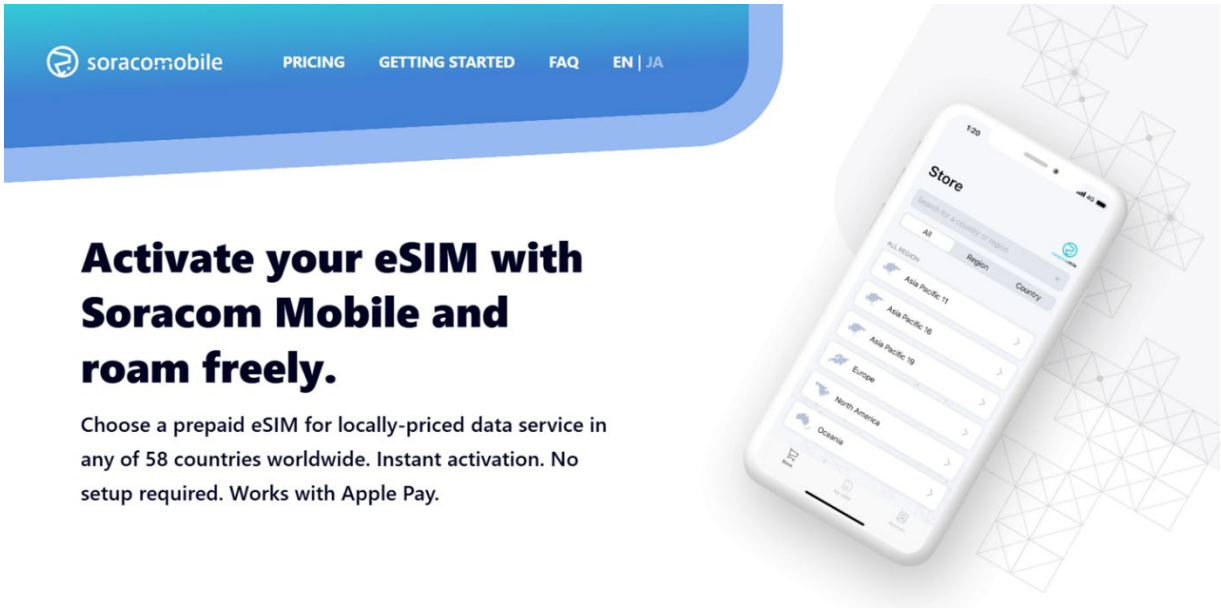

The presentation is planned to be included with the "Notice of the Annual General Meeting of Shareholders," which is sent out each June.

3. About SORACOM Mobile

With SORACOM Mobile's eSIM, you can easily and seamlessly access the internet in Japan and even while traveling abroad (available in 58 countries, including Europe, North America, Asia, and Oceania).

There is no need to purchase or swap SIM cards, nor do you have to worry about losing them. Everything is managed through an app on your iPhone or iPad.

It can also be used for tethering, serving as a mobile router as well.

For details about the service and specific usage instructions, please refer to our website (https://soracommobile.com/).

4. Other

If there are any changes to the shareholder benefits program, we will notify you promptly.
