Notice Regarding a Commercial Contract for Docking Plates at Our UK Subsidiary

Astroscale Holdings Inc. ("we") hereby announces that Astroscale Ltd ("ASUK"), our UK subsidiary, has secured the commercial order of its second-generation on-orbit servicing docking plates by Xona Space Systems, Inc. ("Xona Space Systems"). The docking plates delivered under this contract will be placed on low Earth orbit ("LEO") satellites operated by Xona Space Systems. These docking plates allow our customers to mitigate operational risk and enhance regulatory compliance where applicable by enabling the capability to remove satellites through our End-of-Life (EOL) service.

1. Contract Summary

Customer:	Xona Space Systems, Inc.
Contract Amount:	Less than 10% of consolidated revenue for the fiscal year ending April 2026, therefore minimal.
Delivery Timing:	The fiscal year ending April 2026
Service:	Docking Plates for future End-of-Life Service (EOL)

The contract was agreed and signed on August 4, 2025 (UK time).

2. Impact on Financial Results

The impact on the consolidated financial forecast is minimal.
