Notice Regarding Continued Selection as Constituent of the "JPX-Nikkei Mid and Small Cap Index"

ITmedia Inc. (the “Company”) hereby announces that its stock has continued to be selected as a constituent of the “JPX-Nikkei Mid and Small Cap Index” for Fiscal 2025 (August 29 2025 to August 28, 2026) which is calculated jointly by JPX Market Innovation & Research, Inc. and Nikkei Inc.

The JPX-Nikkei Mid and Small Cap Index is a stock price index based on the concept of "companies with high appeal for investors," and is composed of small and mid-cap stocks that meet investment criteria such as efficient capital utilization and investor-conscious management. The index is made up of 200 stocks selected from common stocks whose main market is the TSE Prime Market, Standard Market, Growth Market based on screening by market capitalization and market liquidity indicators, scoring by quantitative indicators such as three-year average ROE (return on equity), and adding points based on qualitative factors, and the stocks are reviewed periodically once a year.

The Company is working to improve capital efficiency and continuously strengthen our governance system, with a focus on measures to promote management with an awareness of cost of capital and share price. The Company will continue to strive to meet the expectations of our shareholders, investors, and other stakeholders.
