Notice of Posting of Non-Operating Income (Subsidy Income)

Synspective Inc. (the “Company”) announces the posting of non-operating income (subsidy income) for the second quarter of the fiscal year ending December 31, 2025 (April 1, 2025 – June 30, 2025), as stated below.

1. Posting of non-operating income (subsidy income)

As announced on the company's website on February 29, 2024, it has been selected as a subsidized project by the Ministry of Land, Infrastructure, Transport and Tourism under the "Small and Medium Enterprise Innovation Promotion Program (the “SBIR”)" for the open-call theme "Development of technologies that contribute to the advancement of road management monitoring and observation using next-generation technologies" category.

As a result, the company expects to receive a subsidy of ¥22,517 thousand during the second quarter of the fiscal year ending December 31, 2025, which will be posted as non-operating income under subsidy income.

2. Future Outlook

This project has been incorporated into the full-year performance forecast for the fiscal year ending December 31, 2025, as disclosed on February 14, 2025. The company will promptly inform you of any matters requiring disclosure that may arise in the future.

3. Others

For the press release published on the company’s website dated February 29, 2024, please see the following:

“Synspective and Dynamic Map Platform has been selected for the Small and Medium-sized Enterprise Innovation Promotion Program by the Ministry of Land, Infrastructure, Transport and Tourism.”
