Notice Concerning Cancellation of the 25th Series of Stock Acquisition Rights (with Adjustment Exercise Price Clause) through Third-Party Allotment

Remixpoint, Inc. (the “Company”) hereby announces that the Board of Directors of the Company resolved, at a meeting held today, to cancel 275,000 units of stock acquisition rights (with adjustable exercise price clause) acquired on September 4, 2025, as described below.

1. Details of the Stock Acquisition Rights to be cancelled

(1)	Name of the Stock Acquisition Rights	25th series of stock acquisition rights (with adjustable exercise price clause)
(2)	Total number of the Stock Acquisition Rights	550,000 units
(3)	Class and number of shares underlying the Stock Acquisition Rights	Common shares: 55,000,000 (100 common shares per unit)
(4)	Date of cancellation	October 9, 2025
(5)	Number of the Stock Acquisition Rights to be cancelled	275,000 units
(6)	Number of the Stock Acquisition Rights remaining after acquisition	173,500 units

2. Cancellation rationale

As disclosed in “Notice Concerning Acquisition of the 25th Series of Stock Acquisition Rights (with Adjustable Exercise Price Clause) through Third-Party Allotment” dated August 19, 2025, the Company acquired 275,000 units, representing a portion of the remaining stock acquisition rights, on September 4, 2025, and has since held them as treasury stock acquisition rights in its own name. However, given the current exercise status, selling these to the third parties and promoting their exercise is not considered realistic. To alleviate investors’ concerns over potential dilution, the Company has therefore decided to cancel these treasury stock acquisition rights.

3. Impact on financial results

The cancellation of the Stock Acquisition Rights will not impact our consolidated financial results for the fiscal year ending March 2026.
