Digital Garage Publishes "DG Integrated Report 2024"

Systematic Reporting on Financial and Non-Financial Initiatives for mid- to long-term Value Creation

- **Digital Garage, Inc. (TSE Prime section: 4819; HQ: Tokyo; Representative Director, President Executive Officer and Group CEO: Kaoru Hayashi) announces the publication of its first integrated report, "DG Integrated Report 2024."**

- **This report systematically presents financial and non-financial information, highlighting the Group's efforts toward mid- to long-term value creation.**

「DG Integrated Report 2024」 https://ir.garage.co.jp/en/library/annual-report/

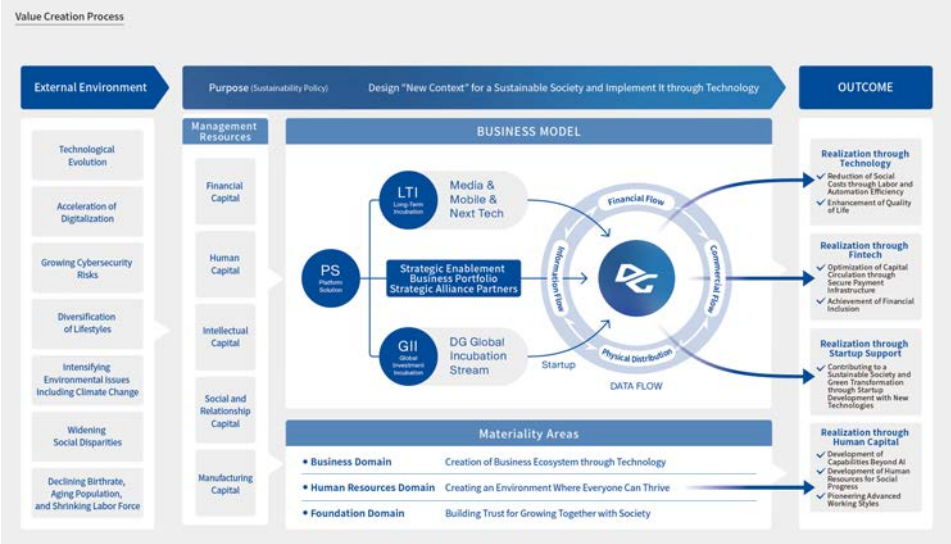

Our corporate purpose is "Designing 'New Context' for a sustainable society with technology." We are committed to advancing sustainability management. Through this integrated report, we aim to deepen stakeholders' understanding of our Group's corporate activities, and foster greater dialogue with shareholders, investors and all stakeholders.

The **"DG Integrated Report 2024"** showcases the value creation process of our company, highlighting how we have consistently implemented cutting-edge technologies to meet society's evolving needs since our founding. The report details our management foundation and future growth strategies through executive officer messages, specific examples of our business, services and systems, a roundtable discussion with outside directors, and financial data.
