Dexerials Selected as a Constituent of SOMPO Sustainability Index for the Seventh Consecutive Year

Dexerials Corporation (Headquarters: Shimotsuke-shi, Tochigi; Representative Director and President: Yoshihisa Shinya; hereinafter, “Dexerials”), announced that it has been selected as a constituent of the SOMPO Sustainability Index (hereinafter, the “Index”), an investment index that has been created by Sompo Asset Management Co., Ltd., for the seventh consecutive year.

The Index consists of about 300 constituent companies with excellent ESG (environment, society, governance) initiatives and is part of “SOMPO Sustainable Management”, *1 an investment product for pension funds and institutional investors. The selected stocks form active indexes independently created by Sompo Asset Management Co., Ltd. based on ESG scores determined from the Environmental Management Survey and ESG Management Survey, which are conducted annually by Sompo Risk Management Inc.

Guided by our Purpose, “Empower Evolution. Connect People and Technology.”, *2 Dexerials create and provide technologies and solutions essential for the evolution of digital technologies that can solve social issues.

Going forward, we will continue to strengthen sustainability management on a company-wide basis, seeking to combine sustainable growth and enhance our corporate value with balancing economic and social value.
