Notice Concerning Recording of Non-operating Expenses and Extraordinary Losses

OPEN Group, Inc. (the "Company") hereby announces that it recorded non-operating expenses and extraordinary losses for the fiscal year ended February 28, 2025.

1. Recording of non-operating expenses

   Loss on investments in investment partnerships

   Concerning investments in investment partnerships, the Company recorded loss on investments in investment partnerships of ¥92 million under non-operating expenses, based on the statement of accounts received.

2. Recording of extraordinary losses

   Head office relocation expenses

   The Company recorded head office relocation expenses of ¥133 million under extraordinary losses in relation to the Open Group's head office relocation. The main components of those expenses were rent expenses on both the former and new head offices before and after the relocation, and the restoration costs related to the former head office.
