Announcement Regarding Revision of Dividend Projection

Murata Manufacturing Co., Ltd (the “Company”) hereby announces that it resolved at a meeting of the Board of Directors held on April 30, 2025, to revise its year-end dividend projection for the fiscal year ending March 31, 2025, as follows.

1. Reason for revision of dividend projection

The Company’s basic policy on profit distribution to shareholders is to prioritize the sharing of gains through payment of dividends, and to steadily raise them by increasing profit per share, while enhancing Murata's long-term corporate value and strengthening its corporate structure.
In accordance with this policy, the Company has revised its projection for the year-end dividend by raising it by 3 yen from 27 yen per share to 30 yen per share after comprehensively considering factors such as the consolidated financial results for the fiscal year ending March 31, 2025 announced today, shareholder return index(dividend payout ratio and dividend on equity ratio), and the accumulation of internal reserves necessary for reinvestment to ensure future development.

2. Summary of the revised projection

	Annual dividends per share		
	Second Quarter	Year-end	Total
	Yen	Yen	Yen
Previous Projection (announced on April 26, 2024)		27.00	54.00
Revised Projection		30.00	57.00
Current fiscal year	27.00		
Previous fiscal year (ended March 31, 2024)	75.00	27.00	-

For the previous fiscal year ended March 31, 2024, the second quarter dividend is recorded on a pre-split basis, while the year-end dividend is recorded on a post-split basis, and the total full-year dividend is displayed as “-”.
