Announcement of Surpassing 8,000 FPG Partnership Agreements with Accounting Firms

FPG has been able to provide attractive products and services to our many customers, by establishing a strong sales network through partnership agreements with accounting firms across Japan.

This strong sales network is one of the foundations of our growth, and we are pleased to announce that as of the end of January 2024, the number of partnership agreements we have established with accounting firms has surpassed 7,000.

FPG is committed to being a financial partner that accompanies our customers in embracing the future through finance. By leveraging our strong sales network with accounting firms nationwide and focusing on the development of new products tailored to our customers' needs, we aim to achieve further business expansion and enhance our corporate value.
