Established a new branch office in connection with policy transfers, a first for the Company.
~ Expanding the life and non-life insurance market through synergies with existing bases ~

FP Partner Inc. (Headquarters: Bunkyo-ku, Tokyo; Representative Director and President: Tsutomu Kuroki; listed on the Tokyo Stock Exchange Prime Market), is pleased to announce that it has established a new base, the "Business Alliance Division Akashi General Branch," centered on 23 employees transferred from the insurance agency that acquired the contract, on May 1.

Together with 23 employees inherited from an insurance agency, we are taking the first step toward expanding into new areas.

We have established a new branch office, Akashi General Branch, through the transfer of policies and employees from the former Anshin Plaza Co. This branch office will be a new type of base developed from the "policy transfer business" that we have been promoting since 2021, which we position as a pillar of our future growth.

Anshin Plaza, with 25 years of experience as a locally rooted agency, has been recognized with the highest ranking in Tokyo Marine Nichido's agency certification program, "TOP QUALITY Agency," and has demonstrated high levels of expertise and trust. Over the years, it has managed 25,462 insurance contracts, including property and life insurance.

The 23 members who have joined our company will leverage their extensive experience and community-based capabilities cultivated at Anshin Plaza to strengthen our service structure in Akashi City and the surrounding area. Furthermore, through collaboration with our existing bases, we will create further synergies while remaining closely tied to the community to promote new market development and expansion of the life and non-life insurance markets.
