Notice Regarding Share Acquisition

We hereby announce that on September 29, 2025, we have agreed to acquire all shares of insurance agency Prestige Co., Ltd. (hereinafter "Prestige"). Details are as follows.

1. Reason for Share Acquisition

Aiming to expand our non-life insurance business, we are working to acquire new contracts and grow our business through alliances with non-life insurance agencies.

Founded 35 years ago, Prestige is an agency handling six non-life insurance companies and twelve life insurance companies. It holds the highest-level certification in both Tokio Marine & Nichido Fire Insurance Co., Ltd.'s agency certification system, the "TOP QUALITY Agency System," and Sompo Japan Insurance Inc.'s agency certification system, the "Professional Agent System." Headquartered in Nagano Prefecture, the company is highly regarded for both its sales scale and service quality, positioning it as one of the core agencies.

While Prestige's non-life insurance division is growing steadily, it was seeking to collaborate with an agency that has a proven track record in life insurance sales and expertise in training sales staff. This partnership would leverage each other's strengths to drive further growth in the life insurance division.

Our company also determined that this acquisition would enable the expansion of our non-life insurance business and strengthen our life insurance sales. We concluded that this partnership holds significant synergy potential for both parties across both life and non-life insurance segments, leading to the decision to acquire the shares.
