In a tranquil space inspired by a “passage,” we provide personalized proposals tailored to each client.

Money Doctor Premier operates 34 locations nationwide as accessible financial consultation hubs for local residents. This marks the opening of our third branch in Yokohama City. The new Money Doctor Premier Kamiooka Keikyu will open on Friday, October 31. The location is along the passageway connecting the ticket gates of Keikyu Kamiooka Station to Keikyu Department Store. With the Yokohama Municipal Subway Blue Line also accessible on the basement level, this prime location offers excellent transportation convenience, making it highly anticipated to welcome many customers.

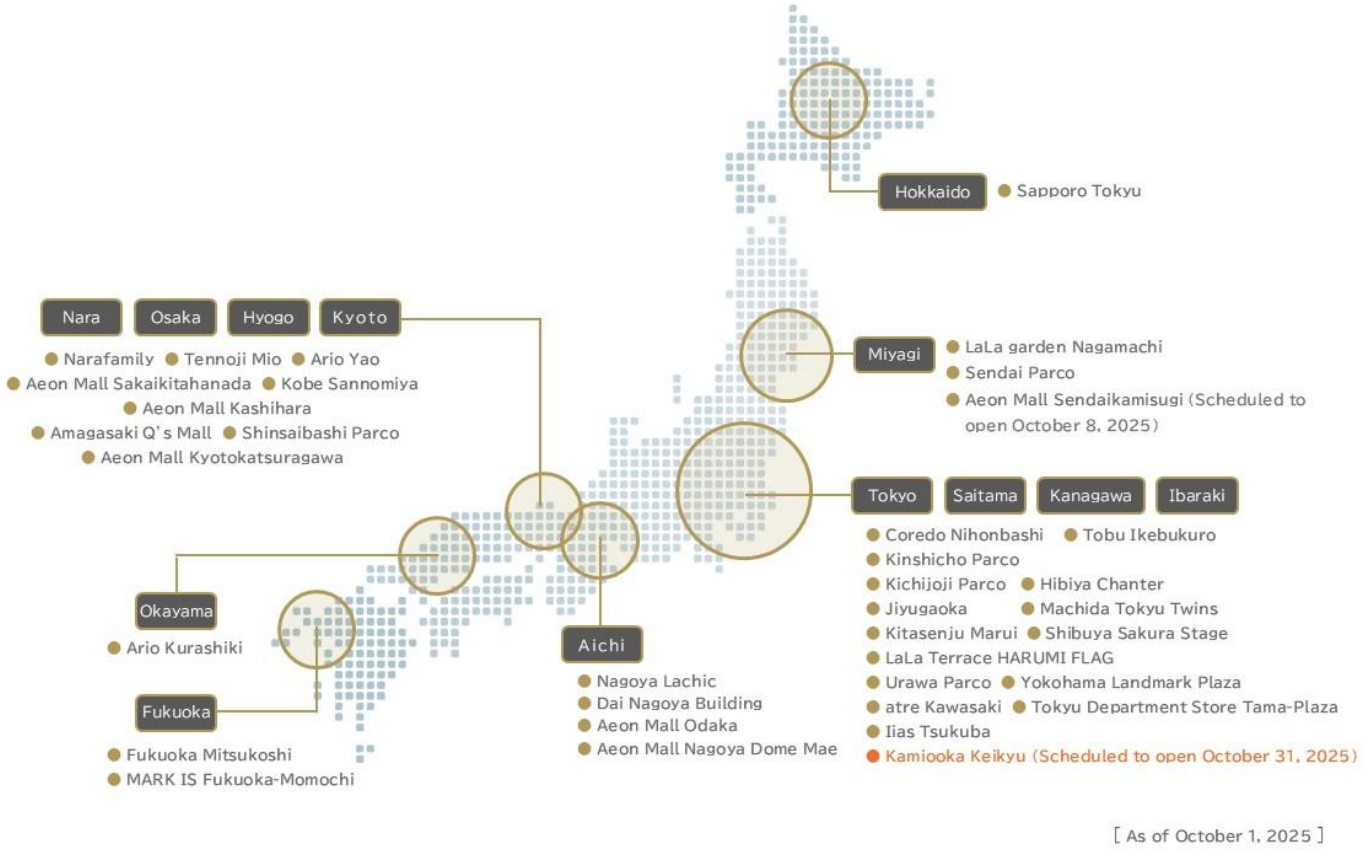

The store design evokes the image of a 19th-century Parisian glass-roofed arcade shopping street known as a “passage” (passageway/alleyway). The store signage features a color scheme reminiscent of the red used on Keikyu trains. Situated along the main route connecting Keikyu Department Store and Kamiooka Station, it also blends naturally with the local streetscape as a “pathway of daily life.” We aim to be part of your everyday routine, offering a calm and welcoming space.

Money Doctor Premier Kamiooka Keikyu will address all your financial concerns, think alongside you, and deliver peace of mind.

About Money Doctor Premier

Money Doctor Premier is a service where you can consult with a Financial Planner (FP) free of charge about all the “money” matters essential to life, such as retirement funds, asset building, and future savings plans. Our FPs provide advice tailored to each customer's life plan to help resolve various financial concerns. For consultations requiring expert knowledge, our FPs collaborate and introduce clients to professionals such as tax accountants and judicial scriveners.

Responding to the growing demand from customers who wish to “consult about important financial matters in a private room while relaxing,” we will continue to actively expand our locations. Our goal is to create stores that are close to the community and where customers can visit with peace of mind.
